

Staff One HealthCare LPN / LVN Skills Checklist

Name
Total Years Experience

SKILL LEVELS
0 = no experience, theory only
1 = Limited, supervision required
2 = Acceptable proficiency
3 = Independently proficient

Indicate Clinical Skill Competency/Level of Proficiency for ALL procedures/equipment in last 12 mos.

	SKILL LEVEL					SKILL LEVEL			
	1	2	3	4		1	2	3	4
AGE SPECIFIC					PATIENT CARE continued				
Neonates - birth to 30 days					Femoral - Popliteal Bypass				
Infants - 30 days to 1 year					GI Bleeding				
Toddlers - 1 to 3 years					Isolation				
Preschool - 3 to 5 years					Ileostomy				
Older Children 5 to 12 years					Nephrectomy				
Adolescents 12 to 18 years					Obstructed Airway				
Young Adults 18 to 39 years					Oncology				
Middle Adults 39 to 64 years					Overdose, Substance Abuse				
Geriatrics 64+ years					Preparing Medications				
					Patient Controlled Analgesics				
EXPERIENCE					Shock				
Medical					Spinal Cord Injury				
Telemetry					Seizures				
Oncology					Thoracic Surgery				
Surgical					Death & Dying				
Orthopedics					Family Intervention/Teaching				
Intermediate					Patient Teaching				
Stepdown					Psychiatric Care				
Med/Surg									
Neurology					CARDIOVASCULAR				
					Obtain 12-lead EKG				
CHARTING					Interpret Rhythm Strips				
Computer					Telemetry				
DARE					Temp Pacemaker insert (assist)				
APIE					Ultrasonic Doppler				
SOAPIE									
FOCUS					DRAINS				
					Hemovac				
PATIENT CARE					Jackson Pratt				
Acute MI, Angina, CHF									
AIDS, ARCS					DRESSINGS				
Aneurysms					Ace Wrap/Splints				
Burns					Change				
Carotid Endarterectomy					Transparent Occlusive				
Cardiac/Respiratory Arrest					Wound Irrigation				
CPR									
Craniotomy									
Colostomy									
CVA									
Diabetic									
Near Drowning									
DTs/Alcohol Detoxification									

Staff One HealthCare LPN / LVN Skills Checklist

	SKILL LEVEL			
	1	2	3	4
GASTROINTESTINAL TUBES				
Insertion				
Removal				
Blakemore-Balloon/Traction				
Ewal				
Gastrostomy (PEG)				
Jejunostomy				
Kaslow (Kantor)				
Miller-Abbott				
Nasogastric Suction - Levine				
Nasogastric Suction - Sump				
T-Tube				
INTRAVENOUS THERAPY				
Angiocaths				
Blood Precautions				
Drawing Blood - Venous				
Heparin-lock				
Hickman/Broviac, Care of				
Infusion Monitor				
Infusion Pump				
Med Administration IM SQ PQ				
MATERNAL CHILD CARE				
Assessment & Care of NB				
Ectopic Pregnancy				
Hysterectomy				
Infant Resuscitation				
Labor Assessment				
Labor Coaching				
Mastectomy				
Post-Partum Care				
Preeclampsia				
Tubal Ligation				
Vaginal (assist & deliver)				
NEURO / ORTHO EQUIPMENT				
Amputation				
Arthroscopic Surgery				
Balanced Suspension				
Balkan Frame				
Bucks Extension				
Cast Care				
Casts, Soft				
Casts, Spika				
Cervical Devices, Other				
Circo-electric Bed				
Clinitron Bed				
Crutchfield tongs				
Crutch walking				
Halo Traction				
K Wires				
Total Knee/Hip Replacement				
Roto bed				
Skeletal Traction - other				
Stryker Frame				
TENS				

	SKILL LEVEL			
	1	2	3	4
PEDIATRICS				
Pediatric Meds Conversion				
Devlpmt Theory Age Related				
Chronic Illness/Disability				
RENAL / GU				
Catheters - foley				
Catheters - 3 way foley				
GU Irrigations - Continuous				
GU Irrigations - Intermittent				
Nephrostomy tube				
Renal Failure - Acute				
Renal Failure - Chronic				
Renal Transplant				
Renal Trauma				
Suprapubic Tube				
Tidal Drainage				
RESPIRATORY THERAPY				
Apnea Monitor				
Chest Tubes H2O Seal				
Chest Tubes - Suction				
Cough & Deep Breathing Exercise				
Incentive Spirometer				
Masks, Face, Rebreather				
Non-Rebreather, Venturi, Cannula				
Nasal, Nasotracheal suctioning				
O2 Equipment				
Postural Drainage & Percussion				
Suctioning Oralpharyngeal				
Tracheostomy Care				
Tracheostomy Tubes, Cuffed				
Chronic Disease Physiology				
SURGICAL CARE				
Surgical Prep				
Consents				
Post - Op Monitoring				
OTHER				
Isolation Precautions				
Diabetic Teaching				
Accu Check				
Knowledge of Normal Lab Values				
Electrolyte Imbalance/Replacement
